

BAXTER HEALTHCARE

FRIDAY 11TH OCT
A SLEEP OUT

A huge thank you to Baxter Healthcare Australia for selecting us as their charity partner to launch their incredible initiative, BaxVET—a business resource group dedicated to supporting Veterans, the vulnerable, and the disadvantaged, ensuring no one falls through the cracks. Together, we're making sure that no one is left behind.

To kick off this initiative, Baxter hosted a sleepout at their HQ in Toongabbie to raise awareness. The night was cold and wet, but it was just ONE night. For many of our friends doing it tough, this is their reality every night. Through Baxter's partnership with our Plate for a Mate campaign, we're committed to making sure everyone is looked after.

A special shoutout to Damian Harrison, president of BaxVET, manufacturing facilities manager, and most importantly, a patriot and ex-Vet. Damian, your leadership and passion have been the driving force behind this initiative. Every community needs a champion to bring people together—thank you for being ours!

It was encouraging to also have all levels of the Mission represent and sleepout on the night (left-right):

- Geoff Smith (Lead Minister)
- David Norris (Church Council Chair)
- Ian Gray (Mission Board Chair)
- Mikhail Chowdhary (Fundraising & Marketing Coordinator).

**TOGETHER, WE'RE TRANSFORMING
LIVES AND MAKING A DIFFERENCE** ❤️
