

”

On behalf of Deloitte and my amazing team, I wanted to extend a heartfelt thank you for giving us the opportunity to work alongside you and contribute to such a meaningful cause.

We thoroughly enjoyed all the stories Mikhail and Paul shared and were very humbled to hear about all the incredible work that you do. For me, this has been an Impact Day like no other. We were not only involved with the preparation and behind-the-scenes work for the charity, but we also had the chance to see the reality of life and interact with the people in need. This has been an unforgettable experience and truly a fulfilling day for me and my team. The compassion and dedication you demonstrate are truly admirable and have left a lasting impression on all of us.

A special thanks for all the wonderful photos you took and shared! They beautifully captured the essence of the day and will serve as cherished memories for our team.

Thanks again for reminding us that there is hope in this world, and that kindness and generosity do exist. I hope to be involved and cross paths with your fantastic team again in the future.
